CWP America LLC is not a government agency nor are we affiliated with any government agency or entity. CWP America LLC is a training resource for consumers who want to educate themselves in firearm safety. We are not affiliated or associated in any way with the State of South Carolina nor do we guarantee or infer in any way that you will qualify for a concealed carry permit. The certification you receive from CWP America LLC is not a license or permit to carry a handgun. To secure a permit it is your sole responsibility to apply to S.L.E.D and submit all paperwork required along with any fees. It is your responsibility to research and understand local laws as it relates to handgun ownership and concealed carry as we teach only the basics.
